Aya Harrasse

Computer Science Engineering Student

Toulouse, France | ayaharrasse123@gmail.com | LinkedIn

PROFILE

Computer science engineering student at Toulouse INP–ENSEEIHT, with a background in mathematics and physics. Interested in artificial intelligence, programming, and practical problem-solving.

EDUCATION

Computer Science Engineering — in progress 2026–2029
Toulouse INP–ENSEEIHT · Toulouse, France

Scientific preparatory studies (prépa) 2024–2026
2024–2025 · First year — Lycée Moulay Hassan, Tangier
2025–2026 · Second year — Lycée Mohammed V, Casablanca
Mathematics and physics preparation for engineering studies.

RELEVANT COURSEWORK

Mathematics: Analysis and calculus; Linear algebra; Statistics; Measure theory; Lebesgue integration; Continuous probability.

Physics: Electromagnetism; Thermodynamics; Optics; Wave optics; Mechanics; Electronics.

TECHNICAL & INTERPERSONAL SKILLS

Programming & databases	Python · Ada · SQL
Scientific computing	MATLAB
Operating systems	Linux · Windows
Interpersonal skills	Teamwork · Project management · Creativity · Problem-solving · Adaptability
